**Report**

The RCMP Community Advisory Committee (RCMP CAC) is a RCMP administrative committee that engages the community and exchanges information about RCMP and policing programs, initiatives, and community needs. The RCMP CAC desired to update their Terms of Reference and collaborated with the Governance Advisory Committee to parallel with some of the typical functions of an advisory committee. The Terms of Reference have been updated and reflect a modern approach with flexibility to engage our ever-changing community. The RCMP CAC will also report to the Priorities Committee annually to stay further connected to the community and Council.
