On behalf of the Children's Wish Foundation of Canada, I'd like to invite you to join us in our Second Wish Maker Walk in Sherwood Park, Alberta. The event is happening at the Sherwood Park Agora on June.11 2016. Our event was extremely successful and we were able to raise \$21,310 which was enough to grant two well deserving children an experience of a life time.

Currently, we are seeking priority funding to help support us carry out what we intend to be a fantastic event. We will be using the money to cover our venue fees, permits, and event supplies. Our expenses are high and we hope to raise as much money as we can for this wonderful cause.

The Children's Wish Foundation is dedicated to providing children diagnosed with a life threatening illness the opportunity to realize their most heartfelt wish. Each year, thousands of Canadian children between the ages of 3 and 17 are diagnosed with a life threatening illness. The work we do is about dignity, dreams coming true, and the quality of life for children coping with life threatening illnesses. It is about precious moments spent enjoying the special magic of a wish fulfilled and most importantly, it's about smiles on the faces of very special children.

Children's Wish has been granting the special wishes for children suffering with life threatening illnesses for nearly 30 years and we have never denied an eligible child their wish. We have been able to grant wishes to more than 20,000 children across Canada, with over 1800 of these wishes to children in Alberta.

Thank you for your time and consideration. Your support will help to put smiles on the faces of very special children. We hope you will reflect favorably on our request and join us in being part of the magic of a wish.
