Brief description of request

Need to replace our sterilizer/dishwasher in the centre. We have 3 quotes, which don't have the installation rate or GST added in. They range from \$ 5,017 to \$6,627. We searched out machines that are in Canada and have local servicing, etc. The main provider is HOBART.

We do require a dishwasher/sterilizer as we have events, and renters who use the dishes, and cutlery here. We want to keep a clean & SAFE environment in our facility.

DISHWASHER/STERILIZER REQUEST

for

Ardrossan 55 Plus Club

21 Queen Street, Ardrossan T8E 2A2

a.seniors@aol.com

Our old sterilizer is no longer operating and cannot be repaired as there are no parts available for this outdated unit.

We DO require a usable sterilizer on our premises, as we want to keep our dishes, cutlery and cups clean and SAFE for use.

We have a permanent weekly renter who did use the sterilizer as they have lunch and sometimes supper for their church group. We also are going to re-start our pot-luck supper once per month. We are running a monthly dance and plan to host the odd floor curling and carpet bowling tournament here. Two or three times per year, we have a craft sale here, which brings in large numbers of people. Annually, we have our catered Christmas Dinner and we use the dishes, glasses and cutlery then. Could be close to 100 people who attend this. We do not use the dishwasher for all of our activities, but do need to have one for use as required.

We thank you for your support in this endeavor.

Sincerely,
