

2022 Recommended Art Acquisitions

Recreation, Parks, and Culture

Council Meeting
June 14, 2022

Our Collection

- Strathcona County's Art Collection has 379 artworks, including 47 by youth and 46 pieces of major public art.
- Our collection represents the work of 235 different artists and nine artist collaborations.

Process

- Residents of Strathcona County and artists with a strong connection to the County are eligible to submit artwork to the Strathcona Salon Series. These pieces are then eligible to be chosen for permanent acquisition or loan.
- Once all of the artwork is installed at Gallery@501 for the Salon Series Exhibit, a jury or selection panel is brought in to select pieces that will be added to our permanent collection.
- Those pieces selected will be on display in the Atrium in the Community Centre for one year before being moved to a new home in a Strathcona County facility.

Budget

- The total budget for the art acquisition in 2022 is \$20,480.
- \$11,980 from the operating budget.
- The additional \$8,500 is from the Cultural Reserve. These additional funds are to assist in the purchase of culturally diverse artworks.
