*44	BIDZINSKI Victor	Offsite Levies & Unfinished Land Maintenance	Information	08/07/2014	7/18/2014	PDS		Please provide status update on the resident request listed: A) Paid excess offsite levies to Strathcona County when they built their establishment to augment future growth in the area. How do they recover over payment? B) Land behind their establishment owned by them was worked on by the County. Has not been resolved properly and is the County going to repair, restore or purchase the land?	28-Aug-14	A) The only financial obligation that was assessed to Lot 47B, Block 2, Plan 9926667 (previously Lot 47, Block 2, Plan 882222) as part of the Development Agreement dated July 1999, was a Local Improvement charge dating back to the 1988 construction of infrastructure, which was identified within the ARP South of Wye Road Area-71-86. It is noted that draft versions of the 1999 Development Agreement refers to a levy component, however the final signed version only refers to a Local Improvement charge which was a requirement for both Lot 47A and Lot 47B. There is no indication in our planning files, or within the Development Agreement, for payment of any levies or oversize charges to the County, nor any reference to cost sharing or recoveries which may have been negotiated between the two properties. B) Strathcona County had discussions with Danley Ventures Inc. (Expert Lock Services) via Mr. Dan Kuefler with respect to work done on the land behind the Expert Lock Services establishment. The issue we're aware of is that the restoration of the easement area where the work was performed, is not acceptable to Mr. Kuefler. An acceptable cash settlement was verbally agreed upon between Mr. Kuefler and Strathcona County however was a concern with the format of release agreement and a settlement has not yet been reached. Planning and Development Services will follow up with Mr. Kuefler on resolving this concern.	In Progress
