Re: Council Priority Funds Grant

We are applying for a grant to assist with the expenses we incur for our Annual Christmas Dinner & Dance.

Almost all our members have no other Christmas events to attend and really appreciate sharing the evening with friends. We have around 90 people attend plus the band and their partners. The band & their partner(s) are subsidized by us as they play for free. We partially subsidize the member's tickets, and any non-members pay full meal cost.

The door prizes, table centrepieces, hall decorations and caterer are our expenses. Our former dinners all ran with a deficit, which we had to absorb.

We feel this is a worthy endeavor as it brings seniors together to visit and enjoy the entertainment and the catered meal. We'd also like to purchase 3 new garbage cans for the bathrooms and library, which cost about \$150 each.

We sincerely appreciate your consideration of our application for this grant.

With our thanks,

Sophie Homeniuk
