

Motion following Notice of Motion – Promoting Agriculture Initiative

THAT Administration provide a report by the end of Q2 2023 with a business case regarding a potential “promoting agriculture initiative” that would be designed to attract agricultural investment in the subregion, including industrial agriculture such as processing, genetics and genomics, agricultural tech and innovation, food and beverage manufacturing, animal nutrition, and biofuels; such business case to include an assessment of opportunities, potential economic benefits and an outline of proposed tactics and budget.

Background

At the October 25, 2022 Council meeting, Mayor Frank served the above Notice of Motion to be presented for debate and vote at the November 15, 2022 Council Meeting.
