Strathcona County Detachment

2016-2017 Annual Performance Plan (APP)

- The APP is an electronic management tool that encourages horizontal and vertical alignment with National, Divisional and District plans and local policing objectives.
- It allows the RCMP to tailor services to contract partners' priorities, often in the areas such as crime reduction, community policing and integrated policing.
- The foundation of the APP planning process is predicated upon community consultation, collaboration with stakeholders and partner agencies, so as to address community concerns.

Issue #1

Traffic Safety	Reduce the number of serious injury and fatal collisions within Strathcona County.
Objective	Improve road safety for all users.

Key Initiatives:

- Conduct enforcement initiatives specific to intersections and stop signs.
