Report

Boards and Committees Honorarium Bylaw 34-2017 establishes the honoraria that will be paid to members of certain Council Committees. This bylaw came into effect on January 1, 2018, and was amended by Bylaw 14-2020 to make the schedule of Council Committees generic to avoid amendments as committees and task forces are either retired or enacted.

It was recently discovered that Bylaw 14-2020 included a clerical error that resulted in the improper amending of Bylaw 34-2017. Bylaw 26-2023 corrects this error and effectively replaces Schedule "A" with the originally intended generic schedule of Council Committees (Advisory Committees and Task Forces). There are no changes to the existing rates or honoraria.

Council and Committee History
