Brief description of request

The Antler Lake Uncas Community League will hold its fourth annual Antler Lake Fair on August 12, 2023. Every year this event is a success in terms of community engagement and we received around 300 visitors (150 adults and 150 children) last year and had very positive feedback from those in attendance. We are requesting funding to help cover the cost of our fair, with the intention of eventually creating a self-sustaining event.

Councillor Glen Lawrence, Ward 7  
Strathcona County  
2001 Sherwood Drive  
Sherwood Park, AB T8A 3W7

Dear Councilor Lawrence,

On behalf of the Antler Lake Uncas Community League (the ALUCL), I wish to apply for Council Priority Funds in the amount of \$7445.00 to cover the cost of our upcoming Antler Lake Fair, which will be held on August 12, 2023.

This will be our fourth annual fair, and it is always well attended. We estimate we had 150 adults, and 150 children attend last year and received very positive feedback from the community.

We feel the fair is very important to the Antler Lake Uncas Community as it fosters community growth and togetherness and provides cost-effective entertainment to our residents.

Most of our entertainment (bouncy castles, live music, petting zoo, games, etc.) is provided free to all attending. We have invited a food truck this year and a second vendor to supply food, which residents will have to pay for, but we are unsure if this will provide any revenue back to the League. We will also have a beer tent, but these sales do not cover the cost of all of the free entertainment we provide.

It is our intention to eventually reach a point where our fair will be self-sustaining, but in the meantime, we would very much appreciate the County's help in covering the expenses for our fair so we can continue to provide these events to the community in the future.

Thank you for your time in reviewing this request.

Sincerely,
