2023											
8-2023	Information	HARVEY Lorne	Median Landscaping	Please provide the timeline for the completion of the landscaping in the middle meridian on Wye Road between Brentwood Road and Nottingham Way.	Transportation Engineering and Operations		The timing of Wye Road landscaping between Brentwood Boulevard and Clover Bar Road will be presented during this fall's budget deliberations as a 2026 project. The reason for the delay was to ensure adjacent development along the corridor was finalized prior to proceeding with landscaping, as some of the developers' work may have impacts on the boulevard. The detailed design drawings for this landscaping have been recently revised and will be finalized by fall 2023. The scope includes tree plantings in the north boulevard and median where possible, as well as shrub beds in the south and north boulevards. If Council would like to see the project advanced into an earlier year, this could be brought forward as part of budget deliberations.	6/20/2023	7/5/2023	7/5/2023	Complete
