To Whom It May Concern:

Hello, my name is Lisa Sargent and I am the President of the Brookville Community League. Thank you for the opportunity to apply for some Council Priority Funds this year.

We are requesting Council Priority Funds for the expense of the installation of an additional permanent picnic table by our playground. The total cost for the table and installation is \$2,311.50. Please find attached the quote from Strathcona County Recreation Parks and Culture (RPC). We are excited that they can do this work for us. They installed our permanent fire pit last Fall and did an excellent job!

The Brookville Community League's playground has always been a popular drop-in spot, but the past two years of increased outdoor activities has made it even more welcoming for all the new young families in our community! This is the result of all the additional programs/activities being offered by Strathcona County's Family Resource Network, the Bookmobile and our very own Brookville Buddies. One table is just no longer enough for all our visitors!

Thank you for your consideration of our application.

Sincerely,
