Re: Strathcona County 2023 Offsite Development Levy Review

UDI has reviewed the updated 2023 Offsite Development Levy information and confirms our industry is in support of the updates to:

- Urban Services Area Levy Bylaw
- North of Yellowhead Levy Bylaw
- Ardrossan Levy Bylaw

Thank you for your efforts with the update and we look forward to our continued collaboration between our industry and County administration.

Sincerely,

Mark Tanasichuk
