RE: COUNCIL PRIORITY FUNDS GRANT

We are applying for a grant to help with the expenses we incur for our Annual Christmas Dinner and Dance, as well as expenses for the Christmas Craft Sale handout expenses.

Most of our members have no other Christmas events they attend and they really appreciate the time spent with other seniors. We have upwards of 90 attendees for the dinner/dance and we have the live band play for their supper! All the door prizes, table centrepieces, hall decorations and caterer are at our expense. We also subsidize members costs for dinner tickets to help seniors to afford the dinner.

We know how much the seniors enjoy the evening with the others attending and also the catered meal.

Our craft sale is also enjoyed by those who can attend and they appreciate the coffee, etc. we hand out.

With our sincere thanks,
