
Financial and Strategic Services Review on Fiscal Related Recommendations to Council

Policy Statement

Recommendations with a fiscal impact shall be reviewed by Financial and Strategic Services and/or the Chief Financial Officer prior to the recommendation going forward to Council to ensure:

- prudent financial management;
- consistency with short and long-term financial interests of the County; and
- accuracy of the financial information being presented in each recommendation.

Guidelines

1. The administration of this policy is the responsibility of the Director, Financial and Strategic Services in cooperation with the Chief Financial Officer and the County departments that initiate the recommendations.
2. Departments shall bring fiscally related Council recommendations to the attention of Financial and Strategic Services and/or the Chief Financial Officer in sufficient time for review prior to the recommendations going to Council.
3. Financial and Strategic Services shall:
 - review the financial implications of the recommendations to ensure they are consistent with both the short and long-term financial interest of the County;
 - verify the information contained in each recommendation; and
 - notify the department of any suggestions, revisions or recommendations for change.
