Safety Code Council Fee is Non-Refundable	Non-refundable	Non-refundable	January 2014	Exempt
<ol style="list-style-type: none"> 1) The County collects, on behalf of the Safety Codes Council, levies in accordance with the rates established by the Safety Codes Council. 2) The County collects a \$125 homeowner permit fee on all homeowner electrical permits except overhead or underground services or installations of 15 devices or less (a device being a switch, fixture, receptacle, etc.). 3) The County collects a \$125 homeowner permit fee on all homeowner plumbing permits except installations of 5 fixtures or less. 4) The County collects a \$125 homeowner permit fee on all homeowner Private Sewage System permits except holding tanks or surface discharges. 5) The County collects a \$125 homeowner permit fee on all homeowner gas permits except underground secondary gas lines. 6) The County applies the minimum permit fees for permits issued on behalf of non-profit corporations for non-profit events. 7) The County applies a 50% discount for permits issued on behalf of non-profit housing corporations for low-cost housing projects. 8) The County applies a 75% discount for permits issued for tents and temporary structures to non-profit events and 100% discount for County Events. 9) The County applies the minimum permit fees for permits for barrier free renovations and conversions. 10) An application is not considered complete and will not be processed until all fees are paid. 11) The County will provide building permit fee rebates of the base building permit fee, to the building permit applicant, for commercial and multiple unit residential buildings that achieve Leeds certification (or an established equivalent) as follows: to a maximum of 70% for Platinum certification, to a maximum of 50% for Gold certification, to a maximum of 40% for Silver certification, or to a maximum of 30% for Leeds certification. Rebate eligibility is subject to verification of certification, having acquired all applicable permits for the project, and having passed all required inspections for the project. The County reserves the right to adjust rebate eligibility percentages for each application on the basis of which features were incorporated to achieve Leeds (or equivalent) certification, and their degree of benefit to the County in the form of sustainable options and potential lifecycle savings through infrastructure economies, environmental initiatives, and social considerations such as sustainable materials and livability. 				

PLANNING AND DEVELOPMENT SERVICES BUILDING REGULATION SERVICES

PROGRAM	2024 before GST	2023 before GST	Year of Implementation	GST Exempt
<p>12) The County will provide building permit fee rebates of the base building permit fee, to the building permit applicant, for Multi-Story and Residential Towers (MS&RT) that achieve Built Green™ MS&RT certification (or an established equivalent) as follows: to a maximum of 30% for Platinum certification, to a maximum of 20% for Gold certification, to a maximum of 15% for Silver certification, or to a maximum of 10% for Bronze certification. Rebate eligibility is subject to verification of certification, having acquired all applicable permits for the project, and having passed all required inspections for the project. The County reserves the right to adjust rebate eligibility percentages for each application on the basis of which features were incorporated to achieve Built Green™ MS&RT (or equivalent) certification, and their degree of benefit to the County in the form of sustainable options and potential lifecycle savings through infrastructure economies, environmental initiatives, and social considerations such as sustainable materials and livability.</p> <p>13) The County will provide building permit fee rebates of the base building permit fee for single, semi-detached and multi unit residential dwellings to homebuilders who achieve R-2000 or Built Green™ certification as follows: 50% for R-2000 certification, 40% for Built Green™ Gold certification, 30% for Built Green™ Silver certification, or 20% for Built Green™ Bronze certification. Rebate eligibility is subject to verification of certification, having acquired all applicable permits for the project, and having passed all required inspections for the project.</p> <p>14) The PDS Manager may make exception to the application of penalties for commencement without a permit application or prior to permit issuance.</p> <p>15) The County bases any penalties for commencement prior to permit issuance on the base permit rather than on just a partial (e.g. foundation) permit.</p> <p>16) Construction value includes all labour, material, and equipment rental used in completing the project, including materials supplied by the owner(s).</p> <p>17) When the construction value submitted as part of the permit application is in question, a safety codes officer may estimate the cost of construction, or request the applicant to provide a written estimate, documentation or verification of labour and material costs and other relevant information relating to the construction for the purpose of determining prevailing market value and calculating the permit fee in accordance with those costs and values.</p> <p>18) At the discretion of the PDS Manager, refund with-holding provisions may be waived in whole or in part.</p>

Impound Fees

Note: Impound fees are supplemental to development permit fees, penalties and fines, as applicable

Portable Sign, per sign	\$250.00	\$250.00	January 2009	Exempt
Temporary / Other Signs, per sign	\$25.00	\$25.00	January 2023	Exempt

- 1) **Development not specified in this Fee Schedule shall be subject to an application fee, as determined by the Development Officer.**
- 2) **An application is not considered complete and will not be processed until all fees are paid.**
- 3) **For the purposes of fee calculation, the floor area is to include the total floor area of the building(s) or structure(s) contained within the outside surface of the exterior walls, excluding attics, balconies, boiler rooms, electrical / mechanical rooms, but excludes basement areas used only for storage.**
- 4) **For a mixed-use building, fee is calculated using applicable residential rate for floor area dedicated to residential and accessory uses and applicable non-residential rate for non-residential and accessory uses.**
- 5) **For the purposes of fee calculation, the project value is to include all materials, labour and other costs required to complete the development including engineering, design, project management, utility services, etc. Note: the value of buildings should be excluded as fees for buildings are based on floor area. Verification of cost may be requested prior to permit decision.**
- 6) **The County applies a 50% discount for permits issued on behalf of non-profit housing corporations for low-cost housing projects.**

PROGRAM	2024 before GST	2023 before GST	Year of Implementation	GST Exempt
---------	--------------------	--------------------	---------------------------	---------------

Alberta Capital Region Wastewater Commission (ACRWC) - Continued

- f) For every kilogram of phosphorus (TP) beyond the limits outlined below, a per kg charge equivalent to the higher rate of the City of Edmonton/EPCOR Water Services & Wastewater Treatment Bylaw or Alberta Capital Region Wastewater Commission Bylaw.

The foregoing weight in kilograms is calculated on the following basis for each component:

$$\frac{(C_m - C_a) \times \text{Water Consumption}}{10 \text{ cubic meters}}$$

Where:

C_m = concentration of component testing

C_a = concentration allowed in schedule D of the Sewage System Bylaw

Water Consumption = the total amount of water consumed in cubic meters

No reduction in water consumption will be allowed in any surcharge calculations without the written approval of the Director of Utilities

	Tier 1 Limit	Tier 1 Limit	\$ / KG
BOD (Biochemical Oxygen Demand)	300	300	Higher of Gold Bar or ACRWC Rate
