Good afternoon Councillor Harvey,

As our local municipal representative, the Board and I would like to thank you for Council's reception of our presentation at the Priorities Committee Meeting on October 17th. We appreciated your questions, ideas, and words of support.

As you continue with budget deliberations, we hope and trust that you will consider our request for an increase of \$200,000 to our annual funding agreement - from \$329,797 to \$529,797 - for the 2024 budget season. This increase will allow us to continue to offer the level of service we currently do and ensure the wellbeing of Strathcona County's collection of material culture as we grow into the future. If you have any further questions for us, please do let me know.

Best regards,

Mathew and Deb
