Dear Sir or Madam,

I am writing on behalf of the SCA Secondary parent grad committee to request your support as we plan a safe and fun Dry Grad Celebration for our 2024 graduating students.

This party has been popular and successful in the past and we are making plans to host another memorable event this year. Many previous committees had a parent or sponsor come forward with a free or low-cost venue, but we have not had that luxury this year, so we anticipate that our costs will be higher than usual.

Please consider supporting our local kids as they take part in an evening of good food, music and activities to celebrate this important milestone.

If you require further information, please feel free to reach out to me or Melissa Scharfenberg who is our committee chair. Both of us can be reached at [REDACTED]

Thank you in advance for your consideration.

Best regards,

[REDACTED]
