2-2024	Information	BERGHOFER Katie	School Zone Signs Options	Please provide provide information on whether there is a reflective post cover option for school zone signs, what the cost is per sign, and the number of school zone signs on collector or arterial roads.	Transportation Engineering and Operations		<p>Currently, the County has 80 school zone and area signs that could be retrofitted with the reflective post covers based on the parameters outlined above. As school zone signs are directed at the approaching traffic, we have identified 2 types of posts that would provide improved conspicuity, flat and rounded.</p> <p>The flat post covers cost \$80/unit plus tax for a total of \$6720.00, not including installation with in house personnel. The rounded post covers cost \$96/unit plus tax and shipping for a total of \$8000.00, not including installation with in-house personnel.</p> <p>To have an additional supply for future replacement, 90 posts, we are estimating a cost of \$7200 and \$10,000 respectively, to place a post of each type at the school zone and area signs.</p>	2/27/2024	3/12/2024	3/7/2024
