Report

The Strathcona County 2019 Annual Report (the Annual Report) is introduced by messages from both the Mayor and Council and the Chief Commissioner. The Annual Report provides an overview of the Strathcona County profile, strategic plan, the financial statement discussion and analysis, the consolidated financial statements, 2020 budget highlights and a statistical information section, which provides five-year trending of key financial and non-financial information for Strathcona County.

The Annual Report is a companion report to the Audited Strathcona County Consolidated Financial Statements for the year ended December 31, 2019, which were approved by Council on May 26, 2020. Both the Annual Report and the Audited Consolidated Financial Statements are publicly available on the County's website.

Corporate Finance and Communications are privileged to provide the residents of Strathcona County more information on the financial status of our municipality and we take pride in the Annual Report we are providing you. As in previous years, this Annual Report will be submitted as a candidate to receive the Canadian Award for Financial Reporting.
