6-2024	Information	PARKS Robert	Sherwood Drive and Broadmoor Boulevard Traffic Circle Improvements	<p>Please provide information on the following regarding the Sherwood Drive and Broadmoor Boulevard traffic circle improvements:</p> <ol style="list-style-type: none"> 1. What is the expected collision modelling based upon the preferred design for the traffic circle? 2. What are the exact collision data for the traffic circle from 2010 to 2023 including location, as well as severity of collision (injury, property only)? 3. What is the expected distance from the exit of the circle going south on Sherwood Drive (based upon the preferred design) to Village Drive? 4. Do we have traffic count numbers for how the existing circle is used, including how many vehicles use each of the different movement options within the circle? 5. If we choose not to move forward with the project as a full redesign and choose to just repave the road and maintain the status quo, what is the date that such a decision would be required to minimize wasted dollars for continued design and planning?
