**EFFECT OF NOTICE**

This Notice of Intention protects the historic resources named in it for 120 days from the date it was served on you. During these 120 days NO PERSON MAY DESTROY, DISTURB, ALTER, RESTORE OR REPAIR A MUNICIPAL HISTORIC RESOURCE OR REMOVE ANY HISTORIC OBJECT FROM IT unless they have written approval of the Council or person appointed by Council for the purpose.

Council or the person appointed by Council, in its or their absolute discretion, may refuse to grant an approval or may make the approval subject to such conditions, as they consider appropriate.

Although there is no right of appeal as such against designation as a Municipal Historic Resource, you are not precluded at any time from writing to the Council, claiming that the site should not or should cease to be designated. Such claim must demonstrate that property to be designated is not of historic significance. The evidence provided to support the claim will be carefully considered.

You may also apply by Originating Application to any judge of the Court of Queen's Bench for an Order shortening the 120 days of protection.

After 120 days the Notice ceases to have any effect, unless the Council has revoked it sooner, or the court has shortened the period, or unless the Council has passed a Bylaw designating the resource permanently.
